BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

Extract of Assistant Secretary's orders in Jul 140-19

The Budget as put up is not suitable. It is not desirable that Govt should undertake the printing of the Budgets. The following procedure may perhaps be

adopted The Dy Commr. may be requested to have the sanctioned budgets of all the municipalities in each District printed locally otherwise, the cost being recovered from the municipalities concerned proportionately The Town municipal Council budgets which are approved by Govt, may be returned after approval to the Dy Commr for being printed separately at the cost of the Mc Councils The Dy Commissioners may send for record here 10 copies of each class of the budgets sanctioned A consolidated statement for the whole District without this distinction would perhaps create a little confusion

2) The sanctioned budgets may be simply recorded with the observation that separate orders will issue regarding the printing of these orders

3) A separate Memo. will if approved be submitted on the lines indicated above"

6) As personally instructed the file is sent for further consideration with the following further note

7) It will be difficult to get each and every Municipal Budget printed in entirety the Govt Press will not be able to cope with the work and all the Municipal councils will may not be able to pay for the charges Moreover the present practice of getting a consolidated statement showing only the revised estimates printed for each DC appears to meet all requirements so far as Minor and Town Municipal councils are concerned

8) The city MC etc may be asked to get their budgets printed at their own cost and send a dozen copies for record
